

## New Products

Part Number	Product Name	Link to Product Page	Short Description
<b>New Products</b>			
DF 5-6-FD-ST8B	DF 5-6 DF Liquid Conveying Pump	<a href="#">DF 5-6 FD</a>	Modified DF material conveying pump for field or mobile cleanup of liquid spills
DF 25-12-110-RI	DF 25-12 Aggregate Conveying Pump	<a href="#">DF 25-12-110-RI</a>	DF material transfer pump for spraying dry and abrasive materials
I-MPVG Series	Miniature Plastic Vacuum Generators	<a href="#">I-MPVG Series</a>	Lightweight, high performance single stage venturi pumps with point-of-use installation
VPIA-60H-DEL	Inline Venturi Vacuum Pump with atmospheric release	<a href="#">VPIA-60H-DEL</a>	Inline venturi pump with fast acting, quick release for pick & place applications.

## Current Products

<b>CDF Series Adjustable Air Amplifier Pumps</b>			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
CDF 100 I-CDF 100	CDF 100 Air Amplifier ("1" metric vacuum/supply ports)	<a href="#">CDF 200H-EPT25</a> <a href="#">I-CDF 200H-EPT25</a>	CDF 200H Air Amplifier ("1" metric vacuum/supply ports)
CDF 100-EPT25 I-CDF 100-EPT25	CDF 100-EPT25 Air Amplifier with exhaust port threads ("1" metric vacuum/supply ports)	<a href="#">CDF 200H-EPT25</a> <a href="#">I-CDF 200H-EPT25</a>	CDF 200H-EPT25 Air Amplifier with exhaust port threads ("1" metric vacuum/supply ports)
CDF 200 I-CDF 200	CDF 200 Air Amplifier ("1" metric vacuum/supply ports)	<a href="#">CDF 200H-EPT25</a> <a href="#">I-CDF 200H-EPT25</a>	CDF 200H Air Amplifier ("1" metric vacuum/supply ports)
CDF 200H I-CDF-200H	CDF 200H Air Amplifier with hose barb ("1" metric vacuum/supply ports)	<a href="#">CDF 200H-EPT25</a> <a href="#">I-CDF 200H-EPT25</a>	CDF 200H Air Amplifier ("1" metric vacuum/supply ports)

<b>DF Series Material Conveying Pumps</b>			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
DF 3-3, DF 5-3, DF 7-3, DF 10-3, DF 12-3,	DF Material Conveying pumps DF "-3" pupms are no longer a stocked item.	To achieve equivalent performance of a -3 pump, regulate the air supply pressure to ~ 40 PSI with the equivalent -6 model. For example, for a DF 7-	
DF Series Material Conveying Pumps	With optional threaded vacuum or exhaust port ends	Custom part numbers	Delivery of DF Series with optional threaded ends is 2 weeks after receipt of order.

<b>JW Series Vacuum Pumps</b>			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
JW Series	J Series Cylindrical "Water" Pump	<a href="#">J Series Venturi Pumps</a>	J Series Venturi Vacuum Pumps

## Current Products

VP Series Vacuum Pumps			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
VP01-60	Min Series - Venturi Pump with 3-way Integral Solenoid Valve	<a href="#">VP01BV</a>	Min Series - Venturi Pump with 3-way Solenoid Valve
VP01QR-60	Min Series - Venturi Pump with Solenoid Operated & Blow-off	<a href="#">VP01QRBV</a>	Min Series - Venturi Pump with Solenoid Operated & Blow-off
VP61	Mid Series - Venturi Pump with 6-way Integral Solenoid Valve	<a href="#">VP2XBV</a>	Mid Series - Venturi Pump with Solenoid Operated & Pneumatic Blow-off (24VDC only)
VP2XV	Mid Series - Venturi Pump - Solenoid Operated with Pneumatic Blow-off	<a href="#">VP2XBV</a>	Mid Series - Venturi Pump with Solenoid Operated & Pneumatic Blow-off (24VDC only)
VP2XV-ADJ	Mid Series - Venturi Pump - Solenoid Operated w/ Adjustable Pneumatic Blow-off	<a href="#">VP2XBV-ADJ</a>	Mid Series - Venturi Pump with Solenoid Operated & Pneumatic Blow-off (24VDC only)
VP30	Mid Series - Venturi Pump with 3-way Integral Solenoid Valve	<a href="#">VP20BV</a>	Mid Series - Venturi Pump with Solenoid Operated (24VDC only)
VP31	FASTVAC Series Pump 10"- 28"Hg (24vDC, 110VAC)	<a href="#">VP35</a>	Mid Series - Venturi Pump with Solenoid Operated & Blow-off (24VDC only)
VP30QR	Mid Series - Venturi Pump with Solenoid Operated & Blow-off	<a href="#">VP35</a>	Mid Series - Venturi Pump with Solenoid Operated & Blow-off (24VDC only)
VP8XV	Max Series - Venturi Pump - Solenoid Operated with Pneumatic Blow-off	<a href="#">VP8XBV</a>	Max Series - Venturi Pump with Solenoid Operated & Pneumatic Blow-off (24VDC only)
VP8XV-ADJ	Max Series - Venturi Pump - Solenoid Operated w/ Adjustable Pneumatic Blow-off	<a href="#">VP8XBV-ADJ</a>	Max Series - Venturi Pump with Solenoid Operated & Pneumatic Blow-off (24VDC only)
VMS Manifold	Segmented Venturi Manifold	<a href="#">VMBV</a>	Segmented Venturi Manifold

VDF Series Variable Vacuum / Flow Pumps			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
FDF Series	Fixed (pinned) VDS Series Pump	<a href="#">VDF Series Pump with Preset option</a>	VDF Series Pump with Preset option "P" for Preset (pinned) customer specific

Vacuum Cups			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
VCR-D Series	Deep Cups - Chloroprese or Silicone	Alternatives Available	Call Vaccon (508) 359-7200 engineering@vaccon.com
VCN Series	Flat Cups - Blue, Green, Yellow, Orange & Clear Vinyl		
VCHF7 Series	High Flex Cups - FDA Silicone		

Pressure Gauges			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
PG-150	Pressure Gauge	Alternatives Available	Call Vaccon (508) 359-7200 engineering@vaccon.com
PG-150-CBM	Pressure Gauge		

## Current Products

Vacuum / Pressure Switches & Sensors			
Old Part Number	Old Product Description	Replacement Part Number	New Product Description
PSXL, PSXN, PSXP	Electronic Pressure Switch	Alternatives Available	Call Vaccon (508) 359-7200 engineering@vaccon.com
PSSA, PSSV	Electronic Pressure Switch		
PDS-1110, PDS-1110-N	Electronic Pressure Switch		
VS-4, SX-4, SX-4SB	Adjustable Mechanical Vacuum Switch		
VDMC-QD-6	Solid State Vacuum Switch & Sensor with QD		
VDMV-QD-6	Solid State Vacuum Switch & Sensor with QD		
VDMC, I-VDMC	Solid State Vacuum Switch & Sensor with QD		
VDMV, I-VDMV	Solid State Vacuum Switch & Sensor with QD		
VDMN-QD, I-VDMN	Solid State Vacuum Switch & Sensor with QD		
I-VDMP	Solid State Vacuum Switch & Sensor		
VDS-1000-L	Solid State Vacuum Switch and Sensor	<a href="#">VDSP-QD-6</a>	Vacuum Switch and Sensor w/ QD 6" pig tail
VDS-1000	Solid State Vacuum Switch and Sensor	<a href="#">VDSP-QD-6</a>	Vacuum Switch and Sensor w/ QD 6" pig tail
VDS-1000-N	Electric Vacuum Switch and Sensor	<a href="#">VDSN-QD-6</a>	Vacuum Switch and Sensor w/ QD 6" pig tail
VDSP	Electronic Vacuum Sensor	<a href="#">VTMV-QD-6</a>	Solid State Vacuum Sensor w/ QD 6" pig tail
VDSN, I-VDSN	Solid State Vacuum Switch	Alternatives Available	Call Vaccon (508) 359-7200 engineering@vaccon.com
VSSA, VSSV	Solid State Vacuum Switch	<a href="#">VSMN-QD-6</a>	Solid State Vacuum Switch w/ QD 6" pig tail
VSXL	Solid State Vacuum Switch	<a href="#">VSMP-QD-6</a>	Solid State Vacuum Switch w/ QD 6" pig tail
VSXN	Solid State Vacuum Switch with QD	Alternatives Available	Call Vaccon (508) 359-7200 engineering@vaccon.com
VSXP			
I-VXXN, I-VXXP			

QD = Quick Disconnect connector
